Are you
satisfied ?

What is it anyways ?

Satisfaction vs Happiness

D I F F E R E N C E S

Matt Zhang

He had a great time with his friend George in the pub yesterday they already had a few drinks and he was for the lack of a better word **happy**. But the next day not so much, he felt horrible, maybe it wastnt such a great idea mixing vodka and tequila together, was it Matt..

Veronica Mitchell

She spend her whole day with her family yesterday so today she decided to go for a walk in the park. On the way she met a really nice couple with the cute dog, she talked for a bit and then she went to her favorite caffe place. As she sat there reading her favorite book, enjoyng her day she thought to herself, life is good Jasmine was **satisfied**.
